Code: Abstract 023

Title: Cost monitoring to promote the value added for clam raising farmers in the Northern area of Vietnam

Dear Dr. Bui Thi Nga:

This is official notification that after peer review, your submission has been **ACCEPTED FOR ORAL PRESENTATION** at ICAEM2014: The 6th International Conference on Agribusiness Economics and Management, which will be held on the 2nd and 3rd of September 2014 at the Waterfront Insular Hotel, Davao City, Philippines, and hosted by the University of the Philippines Mindanao.

This year's conference theme "Agribusiness for Sustainable Development: Building Synergies and Expanding Horizons" emphasizes how improvements in the agricultural sector can have a huge impact in our efforts to maintain sustainability within the domains of socio-economics, environment, governance, and culture.

On behalf of the organizing committee, I would like to congratulate you. If you wish to have your paper considered for publication in the refereed proceedings, kindly submit a full paper. The details on registration and other matters are available on our website: <http://www.icaem2014.com>.

Looking forward to meeting you at the conference!

Best regards,

A handwritten signature in black ink, appearing to read "Larry N. Digal".
