We reproduced the list of titles of each section of the Q-codes in a tabular list comparable to that produced with the ICPC-2 in A4 format and known as "desk copy". Both tabular lists are used to have on hand for an easy coding process of literature in General Practice Family Medicine.

Each Q-Code has a definition. Please refer to Jamouille M, Resnick MP. General Practice / Family Medicine Multilingual Terminology. Charleroi: Care Editions; 2016. 62 p
