

6TH EUROPEAN DRYING CONFERENCE

EuroDrying'2017

CONCLUSIONS

Scientific contributions

- 141 submitted abstracts
 - 47 oral presentations
 - 10 regular sessions
 - 2 special industrial sessions
 - 65 posters
 - 1 chosen for plenary lectures
 - 28 cancellations
- 5 plenary lectures

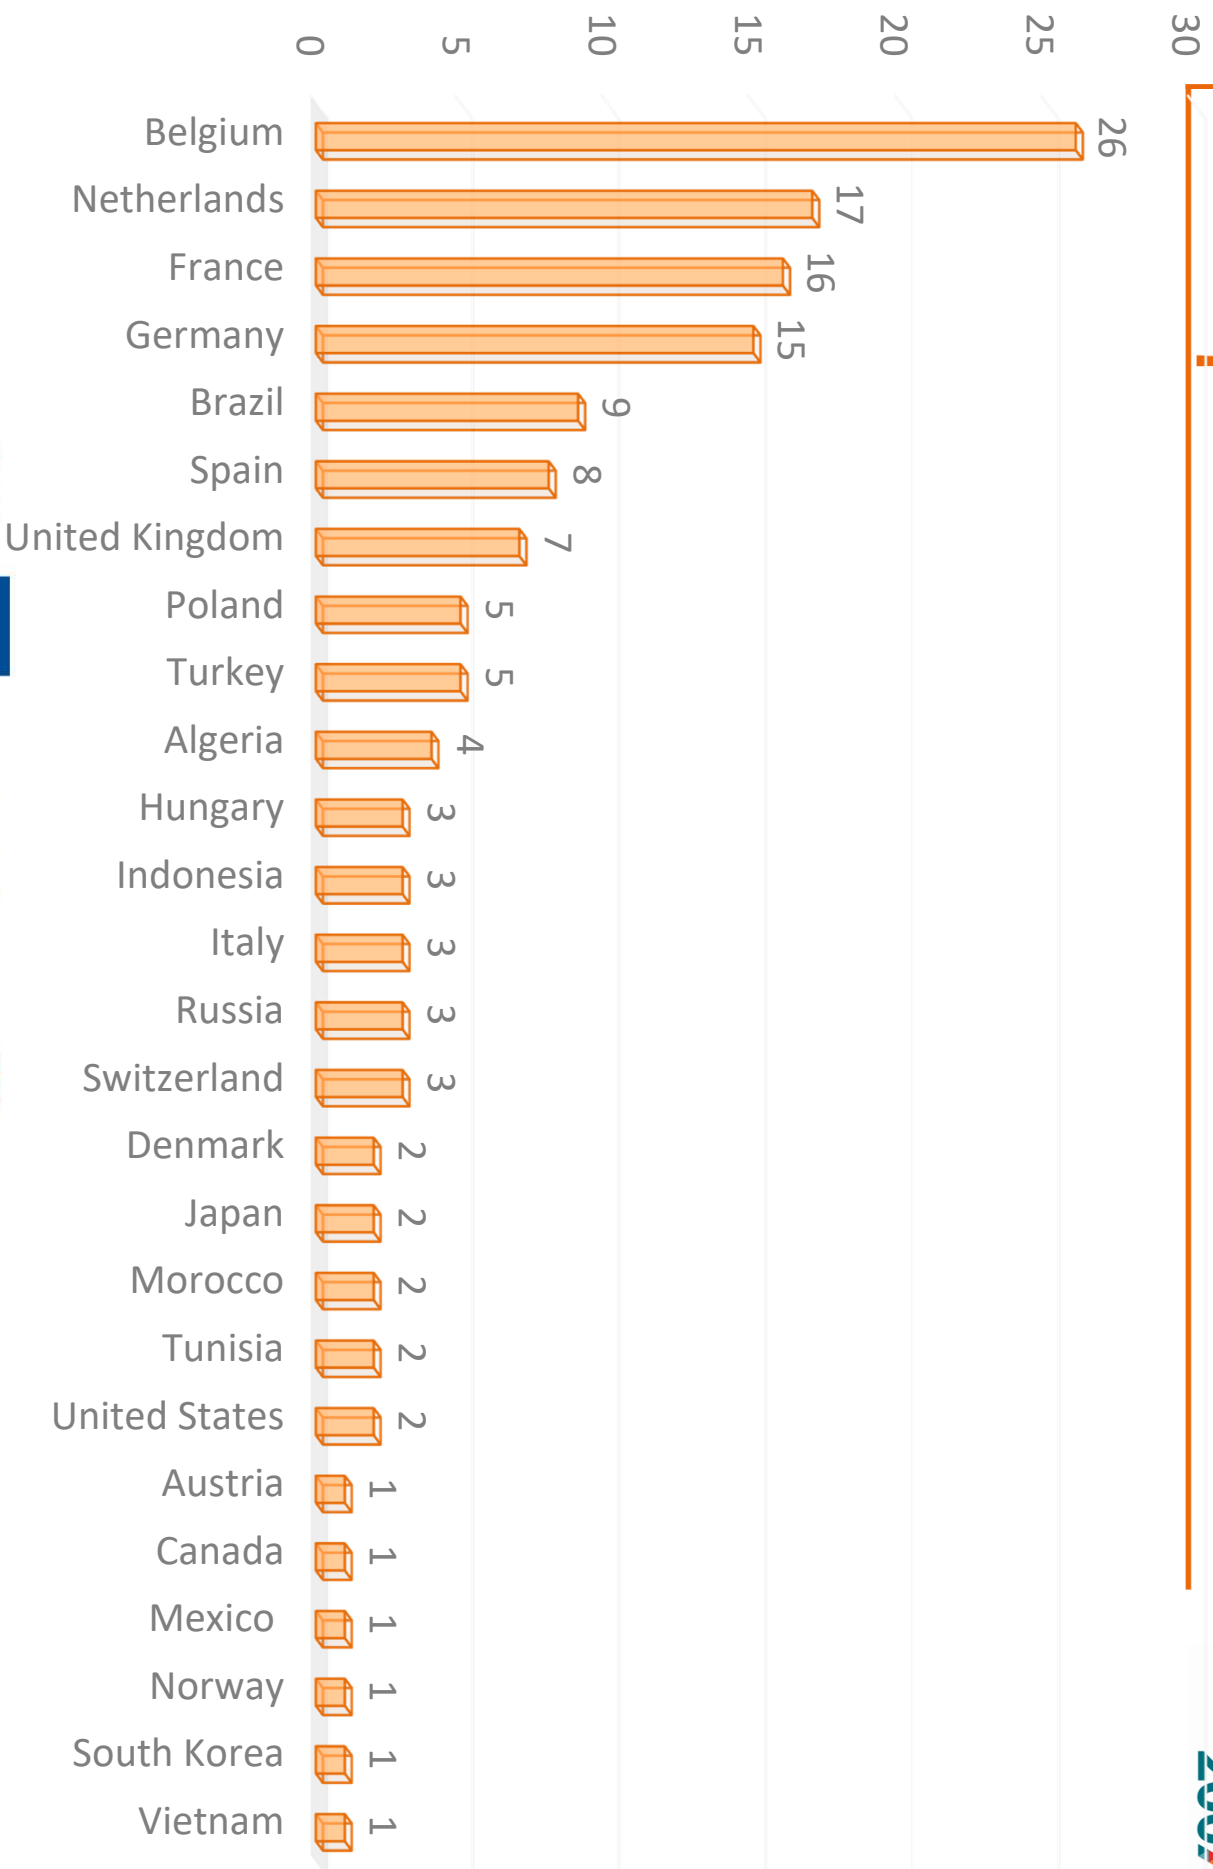

Participation

- 142 registrations
 - Around 130 participants
 - 30% of industrial delegates
- 26 countries

Algeria
Austria
Belgium
Brazil
Canada
Denmark
France
Germany
Hungary
Indonesia
Italy
Japan
Mexico

Morocco
Netherlands
Norway
Poland
Russia
South Korea
Spain
Switzerland
Tunisia
Turkey
United Kingdom
United States
Vietnam

Participation

Best poster awards

■ Nutricia Danone Research

□ Wael Ebrahim

- Single droplet drying at high temperature

**NUTRICIA
RESEARCH**

□ 500 €

■ Woman in drying research

□ Evelien Vaessen

- Single droplet drying for screening of bacterial survival during spray drying

□ Gaëlle Tanguy

- New process for the production of permeate powders without spray-dryer

Special thanks to ...

- **My research team**
 - Angel
 - Erwan
 - Hélène
 - Jolan
 - Laurent
 - Loubna
 - Saïcha
 - Sandra
 - Sylvie
- **Administrative staff**
 - Maria Rosa
 - Marlène (invoicing)
 - Martine
- **ULiège administrative support**
 - Mr Dusoulier (website)
 - Mme Minon (graphics)
 - Mr Signoretti
 - Restos's team

What's next ...

- Pictures on the website
- Update of proceedings and book of abstracts
- PDF of presentation (after approval)
- Selection of papers for special issue of Drying Technology journal
 - 76 papers for 15 articles in one issue
 - Current negotiation to have around 25 papers = selection of 1/3 of submitted full texts

What's next ...

- **Creation of linkedin drying group**
- **The 6th Maghreb Seminar on Science and Technology of Drying, Matmata, Tunisia, March 2018**
- **IDS 2018 in Valencia, Spain, September 2018**
- **EuroDrying 2019 ??**
 - **Application of Torino's team**
 - **Application of Lodz's team**
