**5<sup>th</sup> LUNCH IN STRASBOURG IN 2018**

**"Digital Criminal investigations and international cooperation"**

*Digital tools and the internet connect an unprecedented number of people around the world. Both generate economic and societal benefits. At the same time they can be misused by criminals and terrorists to commit crimes that harm society. The digital traces left behind can provide law enforcement authorities with the necessary information to pursue countries' fundamental interest in safeguarding criminal justice. At the same time, enabling legal process to reach this cross-border data requires modernized laws and procedures that comply with fundamental rights and data protection laws.*

**Welcome by:**

Michael GAHLER MEP, President of the Kangaroo Group
