

Bugs on my plate:
a journey between Belgium and Gabon

Modelling and Development Axis

LOÏC DETILLEUX
FABIO OCCHETTI

Entomophagy

- ▶ Collaboration
 - ❑ Economics and Rural Development
 - ❑ Functional and Evolutionary Entomology
- ▶ Innovations

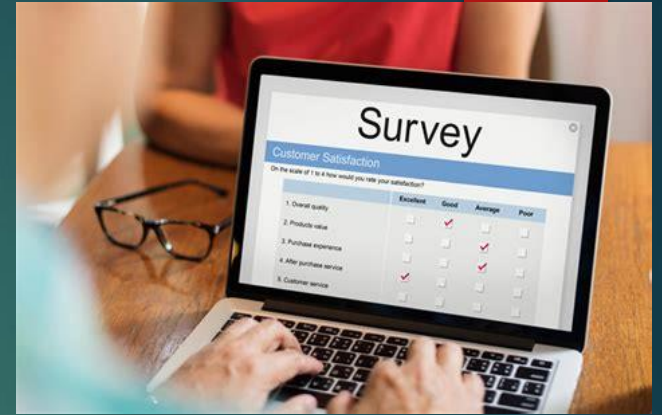

Cross-cultural study

Context for insect consumption

Sensory & Culinary Experience

Scientific publications

▶ 2 articles:

- ❑ Edible insects, what about the perceptions of Belgian youngsters?
- ❑ Entomophagy in Gabon across the African context.

▶ 3 posters:

- ❑ In what context do you want to eat edible insects?
- ❑ Quality of edible insects seen by Belgian academics.
- ❑ Message to Gabonese people: « Are you ready to eat insect-based foods like a Westerner? ».

Let's see...
