

UN Decade Ocean Sound Virtual Workshop 2023

Ocean Decade Research Programme on the Maritime Acoustic Environment
Interagency Working Group Ocean Sound and Marine Life (USA)

Link: <https://onr-navy-mil.zoomgov.com/j/1600195670?pwd=aVRFMUdMSVZOSE8wTXVjWEhhaDJOQT09>

Meeting ID: 160 019 5670 Passcode: 339524

12:00-12:05 Welcome (*Heather Spence*)

12:05-12:15 Introductions

12:15-12:20 Ocean World of Sound: MesoAmerican Reef (*Raymundo Santisteban, Ocean World of Sound*)

12:20-12:30 Questions & Discussion

12:30-12:35 Acoustic Detection & Protection Technologies for Endangered Right Whales (*Adèle Labbé and Olivia Pisano, Fisheries and Oceans Canada*)

12:35-12:45 Questions & Discussion

12:45-12:50 Acoustics to Assess the Health Status of Reefs (*Xavier Raick, University of Liège*)

12:50-1:00 Discussion

1:00-1:10 Break

1:10-1:55 Networking and Visioning Workshop

Potential topics and questions:

- *Quieting technologies and approaches*
 - *as related to offshore development and/or vessel emissions*
- *Real-time technology*
- *What would be a good potential satellite event for the Ocean Decade 2024 meeting?*
- *What does success look like for the Ocean Decade regarding ocean acoustics?*

1:55-2:00: Closing Remarks

2021 United Nations Decade
2030 of Ocean Science
for Sustainable Development
