DIRECT SUPPORT IS ONLY ONE ASPECT OF AUDIOVISUAL POLICY

- **Financing of public service broadcasting**
- **Regulation of relations between broadcasters and producers**
- **Fiscal incentives**
*(eg. GB 2002-2003 : 468 million EUR,
2003-2004 : 220 million EUR).*
- **Credit with preferential rates (Italy, Spain)**
- **Various support to companies (audiovisual parks, local fiscal exemptions...)**
- **Film commissions, archives...**

THE NEED FOR MORE TRANSPARENCY

- Transparency of public organisations is generally satisfactory
- More information on the financial importance of fiscal exemptions is needed
- Monitoring of box-office and admissions to be improved
- Transparency of companies income to be improved
