

Virtual Reality : A tool for Training Fluency in Public Speaking ?

Lamia Bettahi – Angélique Remacle – Anne-Lise Leclercq

Public Speaking

- **Skill required in many personal and professional settings**

- **One of the most feared activities**

↪ **Impact oral communication and speech fluency**

↪ **Influence audience's perception**

⋮
↪ **Career success, reputation and credibility**

Public Speaking Training

- **Public speaking skill can be acquired**
- **Complex to implement in real life**

*ADU: &-euh les actualités il y a &-euh actuellement un atelier numérique qui va être lancé.
•226909_233882•
*ADU: &-euh dans &-euh un atelier pour &-euh responsabiliser autour de tout ce qui est numérique
•257850_261002•
*ADU: &-euh tout ça va être &-euh guider et lancer grâce à des Quizz Interactifs &-donc &-euh.
•261002_266155•
*ADU: simplement voir un peu votre [/] les niveaux de connaissance et Cétéra que vous allez
pouvoir découvrir c'est une activité assez amusante que je peux vous conseiller de faire.
•266155_273226•
*ADU: et aussi ce sera le moment de calculer votre empreinte carbone numérique de voir un peu
où vous en êtes si vous pensez être responsable et &-euh peut-être vous découvrirez tu verras.
•273226_281370•
*ADU: c'est un peu limite ou à l'inverse que vous avez une très bonne &-euh responsabilité à ce
niveau là ça ne peut ne faire que du bien. •281370_286939•
*ADU: &-euh il y aura des projets &-fin [/] y a plein de projets qui vont être lancés je ne peux
vous inviter que à vous y intéresser. •286939_294270•

Conclusions

- **VR elicit fluency characteristics related to public speaking**
 - ↪ **Variations according to speaker profile**
- **VR could be a useful tool for public speaking training**
- **Further intervention studies are required**
- **Public speaking training = role of the SLP**
