Dear Dr Dominique-Marie Votion,

We are delighted to inform you that the Credentials Committee of the European College of Veterinary Sports Medicine and Rehabilitation has approved your application to be recognised 'de Facto' Diplomate.

You are now entitled to use the title Diplomate of the European College of Veterinary Sports Medicine and Rehabilitation (Equine) (Dipl. ECVSMR). You are entitled to be awarded by the European Board of Veterinary Specialisation the title of European Veterinary Specialist in Sports Medicine and Rehabilitation, assuming that you are not already a specialist in another field.

You will be expected to pay an annual retention fee, which is currently €375.

Please read carefully the ECVSMR Constitution and the Bylaws as presented on our homepage, so that you are aware of your obligations to the College.

You will be expected to contribute significantly to the running of the College and especially to provide questions for the ECVSMR examination.

Recertification will be required every five years after admission to the College.

Yours sincerely,

Maarten Oosterlinck,
President of the ECVSMR
