PRACTICAL INFORMATION

... get to Liège

From Brussels Airport Zaventem: <https://www.brusselsairport.be/en/passengers/access-parking>

The train station is located directly under the departures and arrivals halls, at level -1. The platform is easily reached by lift or escalator. With the train, you can travel from Brussels Airport to Liège ("Liège Guillemins" station). Be careful, you have to change trains in Leuven or Brussels Nord (depending on the train you pick at the airport).

Schedule: <https://www.belgiantrain.be/en/>

From Brussels South Charleroi Airport:

<https://www.brussels-charleroi-airport.com/en/parking-access>

At the airport take a direct bus (line A) to Charleroi Sud train station. There you can pick a direct train to Liège. A "combined" train + bus ticket is available on the SNCB website (<https://www.belgiantrain.be/en/>) or directly at the airport (automatic guichets).

... find your way to the University campus (city center, 20 août)

If your hotel is not located downtown, we recommend searching for the nearest tramway stop to head toward the « Pont d'Avroy » stop and walk to the 20 Août building from there (toward Coronmeuse or Liège Expo if you are around the Liège Guillemins station). There are no ticket sales on board the tram in Liège. You can find ticket machines on each tram platform that accept both cash and bank card payments.
