

MRI TOGETHERTHON

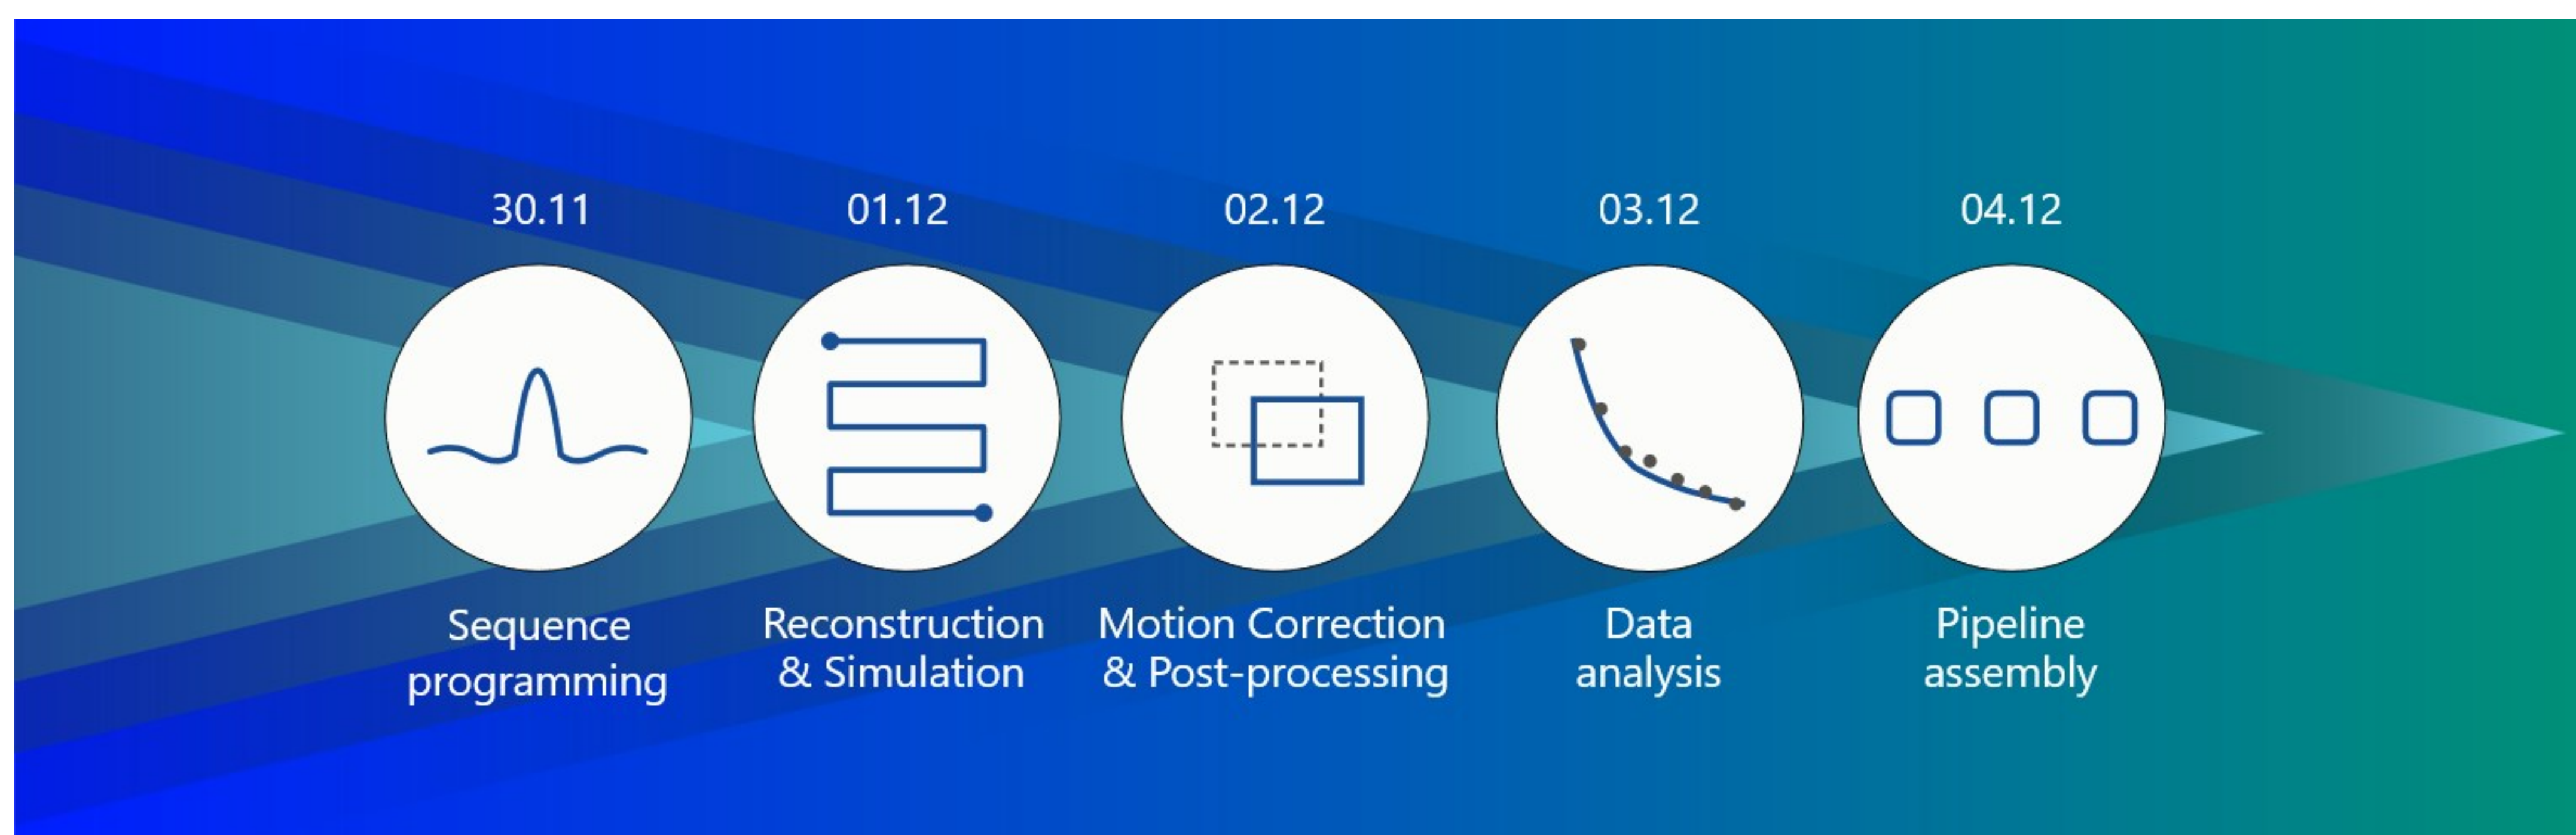

Jiqing Huang, Marta B. Maggioni

30 NOV - 4 DEC
2026

Join the MRI community's first online **hackathon**.

Discover **open-source tools** and **develop together a pipeline** from sequence programming to image analysis, with **placental diffusion imaging** as real-world use case. No placental MRI experience required.

WHY JOIN?

- **Learn** from MRI experts
- **Explore** open-source MRI tools
- **Build** a real MRI pipeline
- **Connect** with the MRI community worldwide

WANT TO CONTRIBUTE?

- **Share** your tool, workflow, or expertise
- **Present** a short tutorial
- **Mentor** a hackathon session
- **Shape** future MRI TogetherThon
